

Stand Up

“Helps reduce the spread of the virus”

The Product: STAND UP

The contemporary design and the marked functionality make Stand Up unique in its kind, the pedestal for hand sanitizers is ideal for any type of business, supermarkets, opticians, pharmacies, car showrooms, banks, public and private offices, airports, hotels et ... The “basic” version is supplied with an adjustable support that allows the client to position the sanitizing bottles (not included) of different sizes, however the customer can also choose to buy the automatic electric dispenser with photocell, or to apply containers for the disposable glove boxes and masks. Stand Up is easily customizable with the choice of the colour of the pedestal and the boxes (for quantities greater than 1000 pcs), it is also possible to apply a vinyl with the company logo or the brand (measures 15 x 15 cm).

Optional:

- Company logo vinyl
- Support for gloves and / or masks
- Trash bin
- Hand sanitizer dispenser automatic

Available colours: black and white
